### The Jamie Drake Equation

by Christopher Edge

#### Ed's Poetry

Here is the first verse of a poem about aliens by Kenn Nesbitt. Using this as a model write some more verses using the same rhythm and rhyming scheme.

#### The Aliens Have Landed!

The aliens have landed!  
It's distressing, but they're here.  
They piloted their flying saucer  
Through our atmosphere.

When you have finished your poem you could read it to a friend or learn and recite it.

Ed would enjoy reading your poem. You could email your poem to him.

Jamie and his classmates were asked to use their artistic skills to create their own alien worlds. Using your own artistic skills and ideas from this book, design an alien scene.
