Theodore Boone

by John Grisham

Diary Entry

Imagine you are Theo. Write a **diary entry** for one of the days during the trial. Think about what your feelings, hopes and fears would be. Remember to use the first person (I think... I feel...) as if it is Theo writing.

The people in court were shown a diagram of the Waverly Creek community - see page 63 of **Theodore Boone**. Using the information given in the book, draw your own version of the diagram.
